\*Greet One Another - followed by      *Bind Us Together*                      #130

Scripture Reading                      *Psalms 146*                      P.660

Unison Prayer of Confession

Almighty God, our Parent and Provider, we thank you for your endless and faithful provisions. You shower us with an abundance—indeed overabundance—of blessings. Forgive us for taking your good gifts for granted. You provide the nutrients we need for body and soul. Yet, we often say “I have so little, what do I have to give?” Today you remind us of the wealth of our blessings; our families, our friends, our daily bread, and above all the privilege of a living relationship with you. Forgive us and help us never to forget to thank you for your blessings. In Jesus’ name we pray. Amen

Silent Prayers of Confession

Assurance of Pardon
