Prayer of Confession		
Gracious God, we thank you that despite our brokenness and sins, You forgive us and continue to love us unconditionally. We confess that, although we are grateful to you for forgiving our sins, we find it very difficult to forgive others. We confess that we have not loved our neighbor as ourselves and granted them the same grace we have received. Forgive us, O Lord, and empower us to break forth from the fetters self-righteousness. Help us to view the offender as your child...May we care for others as you have cared for us. We pray this through the Christ who told us to forgive seven times seventy. Amen
