

Food for Thought - John 14:23-29
May 9, 2010

1. Jesus says that if we love Him, we will “keep His word.” What do you think He means? What are ways we can keep Jesus’ word? Can you think of some specific examples in your own life?

2. Jesus says, “*I do not give to you as the world gives.*” What do you think that means by that? How is Jesus different from the world?

3. Fear has a way of bringing out the worst in people...

- Think for a minute of some situations when you have felt afraid. How did it impact your decisions? your actions toward others?

- Think about times when you have felt relaxed, safe, and fearless...how was that different?

Loving Christ, help us to know how to live IN this world without becoming part of it. Help us to be faithful and fearless in following you. In your name, Amen.
