

***Food for Thought – Colossians 2:6-15***  
**July 25, 2010**

1. In this passage we are told we “know enough,” and to go beyond just studying the faith to living it. Do you feel you “know your way around the faith?” Why or why not?

2. We are warned to beware of “people who try to dazzle you with big words and intellectual double-talk.” Have you ever experienced this? What was your reaction, and what did you do? How can this be a problem?

3. What are things you think get in the way of our really living the faith? What is hardest for you in your own journey? Can you think of ways you might get past those obstacles?

*Mighty God, we don't just want to talk about our faith, we want to be faith in action. Help us to identify those things that are getting in the way, and give us the strength and motivation to live as we say we believe. In Jesus' name, Amen.*
